## Why Attend

### Course Introduction

Leveraging diversity and inclusion is crucial for the success and sustainability of any organization. When individuals feel welcomed, valued, respected, and included, they are more likely to contribute positively to the organization's growth. In essence, diversity drives success.

With over forty years of research highlighting its benefits, diversity training has proven to significantly enhance organizational effectiveness, particularly when it focuses on raising awareness and developing skills over an extended period.

This Effective Diversity Management training course is tailored to provide current and culturally relevant instruction for our clients.

The effectiveness of this training depends on the methods employed, the characteristics of the participants, and the specific outcomes measured after the training.

This training course will feature:

- Manage a culturally diverse and inclusive workforce
- Promote the idea of diversity and inclusion in teams and your organisation
- Understand and appreciate cultural difference
- Identify unconscious bias in self and others
- Improve your Cultural Intelligence (CI)
