Why Attend

Why Choose HR Essentials for Effective Management Training Course?

Effectively managing, developing and retaining your talent is a critical challenge for every organisation. The HR Essentials for Effective Management training course provides delegates with the critical knowledge, skills and attributes required to thrive in all aspects of the employee lifecycle including Strategy, Recruitment, Talent Management, Performance Management, Career Management, Learning & Development and Rewards and Recognition.

The practice of Human Resource Management has evolved from operational to strategic in order to enable and support managers and employees effectively and efficiently.

The entire spectrum of Human Resources Practice will be covered in this definitive HR Essentials for Effective Management training course.

By understanding and applying key people management concepts, delegates will thrive and successfully lead the organisation to greater success, aligned with corporate goals.

This HR training course will feature:

- Building of essential people consultative skills to manage and enable organisational success
- Stimulating exercises and role plays which are designed to enable delegates resolve real-life situations and experiences
- Active participation to practice and applies core skills to be implemented back at the workplace
- Opportunities to discuss and proactively manage situations delegates are experiencing in their workplace
- Extensive and constructive feedback throughout the course from the facilitator, fellow delegates and self-review

What are the Goals?

By the end of This HR Essentials for Effective Management training course, participants will be able to:

- Demonstrate & understand the key activities of HR to support the achievement of the organisation's objectives

Course content

Why Attend

- Recognise that managing people is a shared activity with Line Managers and HR
- Identify and develop critical skills in crucial areas to ensure the right people in the right place at the right time
- Gain a better understanding of People and HR issues facing organisations today
- Illustrate & deal constructively with any performance/behavioural issues at an early stage and ensure maximum contribution from all employees

Who is this Training Course for?

This HR Essentials for Effective Management training course is designed for delegates to build key capabilities to optimise talent and productivity, that enable organisational success through the achievement of corporate goals.

This HR Essentials for Effective Management training course is suitable to a wide range of professionals but will greatly benefit:

- Human Resource Professionals as team leader, supervisory and middle management level wishing to advance their career
- Managers at all levels who wish to consolidate, refresh and reinforce their knowledge and skills
