Course content

Why Attend

Why Attend HR leaders are increasingly expected to demonstrate measurable value, improve workforce performance, and support strategic decisions through reliable data. Key Performance Indicators (KPIs) help organizations monitor recruitment, productivity, retention, wellbeing, and overall HR effectiveness. This course provides participants with practical tools to design meaningful HR KPIs, benchmark performance, interpret trends, and present insights that drive business results.

Course Methodology This course uses an interactive and practical approach through presentations, case studies, KPI design workshops, dashboard exercises, group discussions, benchmarking activities, and real workplace examples.

Course Objectives

- Understand the role of KPIs in measuring HR success
- Distinguish between metrics, measures, and strategic KPIs
- Build SMART and business-focused HR indicators
- Analyze recruitment, performance, and retention data
- Use dashboards and scorecards for decision-making
- Apply benchmarking techniques to compare HR performance
- Present KPI findings clearly to leadership
- Develop data-driven HR improvement plans

Target Audience

- HR Professionals
- HR Managers
- HR Analysts
- Talent Management Specialists

Course content

Target Audience

- Workforce Planning Professionals
- Business Leaders overseeing HR functions
- Anyone responsible for HR reporting and performance measurement

Target Competencies

- HR Analytics
- KPI Development
- Benchmarking
- Dashboard Reporting
- Strategic HR Management
- Data Interpretation
- Performance Measurement
- Decision-Making
