Why Attend

Course Introduction

No organisation can succeed without good procurement.

To achieve the best value for money, it is crucial to appoint top-tier suppliers and ensure that contracts are well-structured. Employing the right processes for supplier selection will help control costs, enhance quality, and boost organizational efficiency.

Suppliers aim to maximize their returns, so establishing a productive relationship is key for both short-term gains and long-term success.

Mastery of tendering, procurement, and negotiation is essential for organizational success, demanding thorough planning and preparation rather than relying on chance and optimism.

This Tendering, Procurement & Negotiation Skills training course explores the process of identifying, selecting and negotiating with the suppliers that will help your organisation.
