A photograph of three men in a meeting, looking at a document together. The man on the left is partially visible, the middle man is looking down, and the man on the right is looking towards the center. A thin orange horizontal line is positioned above the text.

Course content

Why Attend

The Marketing Public Relations (MPR) course is a comprehensive program designed to equip participants with the knowledge, skills, and tools necessary to effectively manage and integrate marketing and public relations strategies. This course explores how MPR drives brand awareness, builds trust, enhances corporate reputation, and supports business goals in a dynamic and ever-changing media landscape.

From mastering strategic planning and media relations to leveraging digital platforms and understanding future trends, participants will develop a strong foundation in both the traditional and innovative aspects of MPR. The program incorporates real-world applications, hands-on projects, and case studies to ensure practical learning and industry readiness.

Key focus areas include strategic MPR planning, stakeholder engagement, digital and social media integration, influencer marketing, crisis communication, and global MPR trends. By the end of the course, participants will be prepared to design and implement impactful MPR strategies that resonate with diverse audiences and deliver measurable results.

This course employs diverse interactive training techniques, including plenary discussions, case studies, team exercises, assessments, and questionnaires.

By the end of the course, participants will be able to:

- Gain a comprehensive understanding of the evolution, significance, and key components of Marketing Public Relations (MPR)
- Apply the principles of strategic MPR planning to design and implement a comprehensive MPR strategy
- Equip participants with the skills and techniques to effectively build and manage relationships with the media and key stakeholders
- Integrate content creation, influencer marketing, and digital crisis management strategies to create effective digital and social media campaigns for MPR
- Evaluate the impact of emerging trends, data analytics, sustainability, and globalization on MPR practices and formulate strategies to address future challenges

This course is ideal for marketing professionals, PR practitioners, communications specialists, and anyone looking to advance their expertise in the interconnected fields of marketing and public relations.

- Strategic communication skills

A photograph of three men in a meeting, looking at a document. The man on the right is in the foreground, looking down. The other two are behind him, also looking at the document.
