## Why Attend

Securing company's assets while transacting with local and international customers is critical for the success and sustainability of a business. In this course, you will learn how to properly transact with foreign companies to support your topline without sacrificing your assets and financial stability. You will also learn how to negotiate with trade counter-parties to secure favorable commercial terms.

The course uses a mix of interactive techniques, such as brief presentations by the consultant, case studies and group exercises to apply knowledge acquired throughout the course.

By the end of the course, participants will be able to:

- Understand trade finance fundamentals and best practices
- Explore banking facilities related to trade finance
- Better negotiate contracts commercial terms
- Understand and utilize different types of available letters of credit
- Understand and utilize different types of available letters of bank guarantee

Financial controllers, procurement professionals, financial analysts, business development managers, financial managers, management accountants, business analysts and treasury professionals.
